

# GENEVE

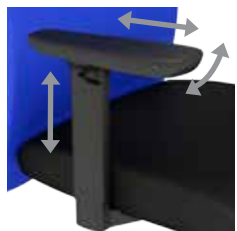

Build for action ready for work. Geneve fabric chair is a traditional, tailored, practical work chair designed to offer the ergonomic comfort and traditional appeal of a fully upholstered task chair at an incredible value.

# Features

## 01 3D adjustable armrest

Armrest allows adjustable height, angle and backward/forward to provide the best support for your arm.

## 02 Polyurethane moulded foam

High density polyurethane moulded foam come with fire retardant feature, gives the seat flexibility to conform user seating posture, provides great support and best comfort even for long seating hours.

## 03 Adjustable seat height

Pneumatic height adjustment allows individuals to set a comfortable position with feet flat on the floor for good postural support.

## 04 Point synchronized mechanism

Point synchronized technology with multi-locking mechanism, not only allows separate tilting of backrest and seating in different angles, but more advance with multi angle locker helps user to control over maximum levels of tilting angles depending on preferred working postures, making every seating position a perfect balanced environment.

## 05 Tilting tension adjustment

The seat plate and backrest tilt independently in response to the body sitting motion, giving full support and maximize comfort.

## 06 Aluminium high base

5 pronged die-cast aluminium polished base with sturdy 54mm dual-wheel nylon castors.

## Nylon high base (Optional)

5 pedestal high legged black finish nylon base with sturdy 54mm dual-wheel nylon castors.

## Polypropylene base (Optional)

5 pronged polypropylene base with sturdy 54mm dual-wheel nylon castors.
