

PAZZA

Pazza is a smart choice in the conference room or as a desk chair. A unique design form mesh back to enhance user comfort and reflect a great sense of style.

Pazza works more like a partner than a piece of furniture. Reflect both your personality and the way you like to work. From private offices to conference rooms, you'll have all the ergonomic agility you should expect from a task chair, while maintaining your sense of style. It was designed and engineered for one body type. Yours.

Features

01 Fixed lumbar support

Artfully designed moulded polypropylene backrest can be arched to create an excellent supporting for the lumbar and disperse overall pressure on the spine disks, allows for ergonomic comfort and stability.

05 Metal synchronized mechanism

Swivel metal synchronized mechanism with one locking system at the seat right posture and tilt at 25° reclining position, allows separate tilting of backrest and seating in different angles, ease user movement for different postures.

02 Fixed armrest

Design matched moulded polypropylene fixed armrest in black finish.

06 Tilting tension adjustment

The seat plate and backrest tilt independently in response to the body sitting motion, giving full support and maximize comfort.

03 High density polyurethane sponge seat

High density polyurethane sponge, provides soft and cushiony seating feeling.

07 Nylon high base

5 pedestal high legged black finish nylon base with sturdy 54mm dual-wheel nylon castors.

04 Adjustable seat height

Pneumatic height adjustment allows individuals to set a comfortable position with feel flat on the floor for good postural support.

Polypropylene base (Optional)

5 pronged die-cast aluminium polished base with sturdy 54mm dual-wheel nylon castors.
