

# VENICE

Venice is smart, simple seating designed for today's workplace where shared workspaces are increasingly common. Venice has a clean and unassuming look that allows for visual fit in varied office settings. The chair's ease and range of adjustment will also fit the great majority of people in a dynamic and diverse workplace.

# Features

## 01 Adjustable headrest

The two-pivoted headrest allows precise adjustments of the angle and the height, where user can loosen the two knobs at the backside of the headrest to move the headrest up and down or backward and forth to the desired position, and tighten the knobs to support neck and shoulder comfortably in any seating position.

## 05 Point synchronized mechanism

Point synchronized technology with multi-locking mechanism, not only allows separate tilting of backrest and seating in different angles, but more advance with multi angle locker helps user to control over maximum levels of tilting angles depending on preferred working postures, making every seating position a perfect balanced environment.

## 02 3D adjustable armrest

Armrest allows adjustable height, angle and backward/forward to provide the best support for your arm.

## 06 Tilting tension adjustment

The seat plate and backrest tilt independently in response to the body sitting motion, giving full support and maximize comfort.

## 03 Polyurethane moulded foam

High density polyurethane moulded foam come with fire retardant feature, gives the seat flexibility to conform user seating posture, provides great support and best comfort even for long seating hours.

## 07 Aluminium high base

5 pronged die-cast aluminium polished base with sturdy 54mm dual-wheel nylon castors.

## 04 Adjustable seat height

Pneumatic height adjustment allows individuals to set a comfortable position with feet flat on the floor for good postural support.

## Nylon high base (Optional)

5 pedestal high legged black finish nylon base with sturdy 54mm dual-wheel nylon castors.
